Dear Sirs

**Planning permission in principle for the erection of 2 houses and associated works
Land South Of Cornhill Ballencrieff East Lothian EH32 0PJ
Ref. No: 22/00708/PP**

The Gullane Area Community Council submits the following response to the above application for planning permission. The subjects lie wholly within our community council area.

We have full sympathy for the aim of keeping the elderly in accommodation that will suit them best. What is not clear is how the operational requirements of the business demand that this new housing be built in any countryside location and indeed at this particular location. It would seem to be potentially at odds with Policies DC1/DC4. The proposed new access would be onto a main road where traffic moves at high speed, creating some safety issues.

We ask that you consider refusal of the application.

Yours faithfully

Martin White
