Dear Sirs

**Change of use of flat to short term holiday let**

6A Stanley Road Gullane East Lothian EH31 2AD  
Ref. No: 22/01142/P

The Gullane Area Community Council submits the following response to the above application for planning permission. The subjects lie wholly within our community council area.

We note that the holiday let is for typical Airbnb type use. The application states that there is no available parking at the property. The general location is busy and often short of available parking. The applicant's statement about the availability of parking is an exaggeration, and as a matter of principle we believe that we should not be giving permission for such use where it will deprive others of parking.

We ask the Council to reject the application.
