Dear Sirs

Erection of garden building for use as ancillary residential accommodation

53 The Village Archerfield Dirleton East Lothian EH39 5HT
Ref. No: 22/01419/P

The Gullane Area Community Council submits the following response to the above application for planning permission. The subjects lie wholly within our community council area.

The footprint of the auxiliary accommodation is close to that of the existing house, and we note that with some rearrangement the new accommodation could be turned into a separate house. We therefore ask that if you are minded to grant the application it should be on condition that the permitted use of the block is limited to use ancillary to the residential occupancy of the main house and that use for separate occupation is not permitted. A similar condition was imposed on development for 33 The Village.
