Dear Sirs

**Alterations, extensions to poultry farm to form a research/development facility comprising, staff welfare area, store, formation of SUDS, vehicular and associated works** 

Garleton Farm Garleton Haddington Longniddry EH32 0PJ  
Ref. No: 24/00410/P

The Gullane Area Community Council submits the following response to the above application for planning permission. The subjects lie wholly within our community council area.

This application is a major extension and change to a site that is farming on an industrial scale. The new building is substantially higher than the current buildings. The new site removes some of a field already in productive use and the band of trees that provides a reasonably degree of screening (particularly in summer) for the existing site when seen from the north. It creates an eyesore directly in line with the Garleton Hills Special Landscape Area, which we feel is a view that should be fully protected for visitors and locals.

We ask that you refuse the application.

Yours faithfully
