Gullane Community Council Meeting

gaccsecretary@gmail.com

Date of Meeting: Thursday 27th June 2024

Foreword from PC Neil Whittingham

At the last CAPP meeting the area did not identify any priorities to be looked at in this area.

I am covering for PC Dalziel as the North Berwick Community Beat Officer on a temporary basis for the foreseeable future. I have been made aware by PC Dalziel that there are ongoing issues regarding parking on Zig-Zag lines at Gullane and Aberlady, this is something I will continue to monitor however in my first 3 of weeks in the role I have carried out patrols of the area and so far have not experienced any issues so hopefully previous enforcement is having the desired effect.

I have been made aware this week of an incident regarding youths climbing on the roof and being a general nuisance at Drem Railway Station. This was attended by British Transport Police but this is something PC Jackson and I will monitor in the coming weeks especially with the school holidays due to commence in the coming week. I would encourage residents to contact Police if they witness any similar behaviour in the coming weeks so that we can try and ensure this does not become a regular occurrence.

I will be attending at the next CAPP meeting and will introduce myself further then.

Your Community Policing Officer will not routinely attend Community Council meetings unless specifically requested in response to specific issues. The officer will attend the CAPP (Community & Police Partnership). The CAPP meeting is for elected members and local representatives to agree local priorities; therefore, all community councils are encouraged to have a representative attend.
