Dear Sirs

**Certificate of lawfulness for an existing use - short term holiday let**

9 Lammerview Terrace Main Street Gullane EH31 2HB

Ref. No: 24/00561/CLU

The Gullane Area Community Council submits the following response to the above application for planning permission. The subjects lie wholly within our community council area.

We note that the property is regularly going to be used for short term holiday lets. We see this as reducing the pool of properties available for permanent residence; we see this as unfortunate. The property shares a common entry and then a relatively narrow stair with another flats, creating the potential for disturbance.

We believe that we should not be giving permission for such use. We ask the Council to reject the application.
