Dear Sirs

High Hedge

Land Rear Of Speedwell House Main Road Dirleton North Berwick East Lothian EH39
5DZ

Ref. No: 24/00003/HHN

We refer to the above notification relating to the subjects referred to above, which lie within our community council area. In our view the creation of this hedge was aimed at screening development that would have resulted from a development application 21/01364/P that has been declined. The state of the hedge, its non-native species and the extreme difficulty of maintaining it in any reasonable state suggest that this eyesore would be much better to be removed altogether. It could then be replaced with something native and manageable.

Yours faithfully
