Dear Sirs

[Conversion of garage to form ancillary residential accommodation](#) 

48A Hopetoun Terrace Gullane EH31 2DE

Ref. No: 24/01119/P

We refer to the above applications for planning permission relating to the subjects referred to above, which lie within our community council area.

The community is concerned that the accommodation will increase the demand on the capacity of the Gullane sewerage works that is already being used beyond its capacity limit.

We ask that you reject the application.

Should you decide to ignore the community concerns regarding sewerage capacity, and approve the application, we ask that you impose a condition that the accommodation can only be used as ancillary accommodation.

Yours faithfully
