

Police Service of Scotland Community Council Meeting

Gullane Community Council Meeting gaccsecretary@gmail.com

Date of Meeting: Thursday 28th November 2024

Foreword from PC Diane Bath

At the last CAPP meeting a Festive drink driving / road traffic initiative was identified as a priority.

This report has included both bonfire night and Halloween. Overall I am pleased to report that there was only a few minor anti-social behaviour incidents and no crimes being reported.

As the festive period is approaching, I anticipate an increase in potential drink/ drug drivers and road traffic incidents.

I have set this as a priority and will carry out some late afternoon/evening and weekend road checks in a bid to identify any road traffic offences.

Your Community Policing Officer will not routinely attend Community Council meetings unless specifically requested in response to specific issues. The officer will attend the CAPP (Community & Police Partnership). The CAPP meeting is for elected members and local representatives to agree local priorities; therefore all community councils are encouraged to have a representative attend.

Between 24th October 2024 and 26th November 2024 there were 74 calls to the area. This resulted in the police recording 11 crimes as follows:
